"We went on the 3 Star dinner cruise last night. I'd like to applaud your team of bartenders, kitchen staff, beautiful dancers and servers. Everyone was doing the job that they signed up for, especially Travis. He took care of us...He was so full of energy..." — 718travish

"I can't remember having such a great meal like that in a very long time. They offered us more crab after the first serving and the steak melted in your mouth. All the while there was lovely entertainment and a very attentive steward/waiter (Alonso) who was amazing." — Sondra L

"After dinner we walked around the ship and went to all the other levels and enjoyed the views of Waikiki and Diamond Head...All of the servers and dancers were very friendly and pleasant. The whole crew would smile and talk to us. We even got to meet the captain." — OneMoreStop
