DOLPHIN STAR® PLEDGE

Swimming with dolphins is prohibited, but you will be thrilled to see them play in their natural habitat. We comply with government guidelines for protection of marine mammals.

Oahu's Largest Dolphin Vessel: The 65-foot, 149-passenger 2-deck catamaran features open air walk-around decks with 360 degree views to maximize your "dolphin watch" experience. For comfort, the vessel is equipped with two restrooms, 2 hot water showers and an onboard grill. Newly added touch pool, marine display and flat screen TV enhance your marine experience!

Hawaiian Dolphin Eco-tour for All Ages®: Not a swimmer but love to see wild dolphins? Absolutely! Choose the comfort of Dolphin Star®'s unique "Dolphin Watch BBQ," perfect for 3 generation families with young children, school and incentive groups. Snorkel Option available for a more active experience.

Protect the environment: The eco-friendly Dolphin Star®, custom built for wild dolphin watching, minimizes emissions with EPA compliant main engines and operates at a cruising speed shown by recent NOAA studies to be safe for marine mammals.

THE DOLPHIN STAR® EXPERIENCE

We also pledge to provide the "best dolphin experience." Our cruise features the best locations to experience dolphin watching and snorkeling. Plus, families will love our engaging "Keiki Program" for kids and more!

Dolphin & Marine Life: Shielded by the Waianae mountain range, the tallest on Oahu at 4,025 feet, the pristine water conditions form an incredible habitat for naia (dolphins), kohola (whales) in season, honu (turtles), malolo (flying fish) and more. Learn more at Dolphin-Star.com/about-dolphins!

Snorkel Tour: Explore the reef at a secret spot led by our diver on our "Dolphin Watch BBQ & Snorkel®" or opt to just jump in and cool off. Flotation vests, mask, fins and instruction included and additional flotation devices available. This is the paradise you've been dreaming of!

Keiki (Child) Program: Our ocean-loving Naturalist crew share their knowledge (and passion) with Keiki through an interactive educational program, complete with a souvenir activity book! In this fun setting, kids learn about our marine mammal friends and how to protect our beautiful environment.
